

Ruffin' It Resort: That place has gone to the dogs

October 11, 2009 - [Madison Culture & Events Examiner](#) - Georganne Crifasi

If the words "doggie daycare and luxury resort" make you think of manicured paws and fluffed up fur coats, you have not been to [Ruffin' It Resort](#).

Dog lovers like me must rejoice when they discover a place like this (or maybe it's just me, but hey this place is great!) Being new to Madison and having two dogs that badly needed some new friends, I immediately began looking for just the place for that to happen. Then, I stumbled upon Ruffin' It Resort...and it was a match made in doggie heaven. If you have a four-legged friend and you haven't been there yet, you need to stop by for a tour. They do *tours* people! Come on, you know it has to be great.

Yes, Ruffin' It Resort provides daycare for your dog and *yes*, they pamper your pooch but this place is like nothing you've seen before! This is one doggie resort where your dog can truly be a d-o-g. Run, play, sniff, bark and anything else he may want to do.

Modeled after a woodsy mountain lodge, Ruffin' It Resort has a warm, inviting feel the moment you walk through the door (there's a three-way fireplace!). A *huge* outdoor play space just begs for your dog to run to and play. The staff is friendly and attentive. The place is clean. Oh, so clean! And every dog leaves there happy and exhausted. Well, my dogs sure do.

Whether it's a comfortable overnight stay you seek, just a few hours of playtime or a friendly meet-up with other dogs and their owners, this place has it all--and at totally reasonable rates! You have no excuse not to take your pup to Ruffin' It Resort. In fact, coming up on October 29, 2009 from 7:15-9:00 p.m. they are holding their HOWL-O-WEEN Party where you and your dog are invited to come out for an evening of treats, games, and costume contests! All proceeds benefit SPCA: Operation Baghdad Pups. Who knows, maybe we'll see you there! Just look for the cowgirl puggle and her lone labrador horse. *Giddyup!* What will *your* dog be for Halloween this year?
