A friendly reminder:

Guests who participate in group activities may get scratched or bumped when playing with other dogs. Just like human children on a playground, they may incur mild injuries or become soiled from running and wrestling. Please expect to see these types of things on occasion. Rules and Regulations

To ensure the safety and health of all animals and staff at Ruffin' It Resort, all clients are required to comply with the following Rules and Regulations (**please read thoroughly**):

Sex: To participate in daycare/group time all dogs must be spayed or neutered (unless they are under 6 months of age).

Age: All dogs must be at least 10 weeks of age and have their first two sets of vaccinations.

Vaccines & Preventative: All dogs must be up-to-date on vaccinations. We also accept titers. All clients must submit *written verification* from their veterinarian that their dog(s) have current DHPP, Rabies, Canine Influenza and Bordatella (kennel cough) vaccinations. Specifically, the vaccines required are: (1) Distemper, Hepatitis, Parainfluenza, and Parvovirus; (2) Rabies; (3) Canine Influenza and (4) Bordatella. All dogs are also required to be on (5) flea & tick preventative and (6) heartworm prevention *year-round*. Results of current fecal exam are necessary to verify that none of our canine clients have intestinal parasites that may spread to other dogs. We require written proof of (7) a negative fecal exam every 6 months. It is your responsibility to provide on-going verification of current vaccinations and preventative. Spot checking for fleas and ticks is not always a fool proof process; therefore, Ruffin' It requires a flea and parasite preventative (i.e., FrontLine or Advantage) for incoming dogs.

Health: All dogs must be in good health. All clients will need to certify that their dog(s) are in good health and have been free from any condition that could potentially jeopardize other canine guests. Dogs that have been ill with a communicable condition in the last 30 days will require written veterinary certification of health to be admitted or readmitted. If, at any time during our care, it becomes evident that your dog is ill, you'll be notified and expected to pick up your dog immediately. If, at any time during our care, it becomes evident your dog has fleas or ticks, treatment will be applied and charged to the pet parent at a minimum rate of \$30.00. Dogs requiring special attention due to medical restrictions will be assessed by the hotel Pack Leader and may be charged an additional per-day fee for any and all hotel stays (this includes medicines that need to be administered via injection).

Leashes and Collars: All dogs must enter and exit the facility on a leash. We ask that retractable leashes and prong/choke/chain collars not be used.

Food: All food brought to Ruffin' It Resort must be pre-measured into individual servings, stored in small plastic containers or baggies labeled with the dog's first and last name, date of the feeding, and designated for a.m. or p.m. feeding. For example: Sadie Johnson 5/10 PM.

Bedding: All dogs who stay in the hotel for three nights or more will have their bedding washed unless the parent(s) request otherwise. Please be advised that we are unable to wash any bedding that is too large to fit in our washer and dryer.

Treats: In order to provide your dog with a positive learning experience while at Ruffin' It, we will reinforce your dog's good behavior and ignore unwanted behaviors such as jumping, etc. Your dog will be given treats as a reward for good behavior, unless otherwise instructed by you. These high quality treats are given in small bite-size quantities.

Behavior: Parents will need to certify that their dog(s) have not harmed or shown any aggressive or threatening behavior towards any person. In the event that the guest will participate in daycare or group play, parents will also need to certify that their dog(s) have not harmed or shown any aggressive or threatening behavior towards any other dog(s) and are not protective of food or toys. The dogs' safety and health is our main priority. Keep in mind that although your dog is supervised when playing with other dogs, he/she still might receive an occasional nip or scratch. We do not accept fence climbers.

Dogs who are not social with other dogs may stay in the hotel, but may not participate in daycare or group play time. Private hotel guests will receive a complimentary private play time or a complimentary walk around the neighborhood in lieu of group play time. There is also an additional nominal daily charge for private guests and dogs that are social in smaller, more selective groups.

Enrollment in Daycare: Enrollment Application and proof of vaccinations must be turned in prior to setting up a Socialization Assessment. All dogs must have a complete, up-to-date and approved Enrollment Application on file.

Enrollment in Hotel: Enrollment Applications are required to be turned in prior to booking any hotel reservation. All dogs must have a complete, up-to-date and approved Enrollment Application on file.

Fees: Fees for daycare and hotel guests are due at check-out, unless other arrangements have been approved. Cash, check, Visa, Master Card, and American Express are accepted. A \$30.00 fee will be charged for any returned check. Discounted daycare packages are provided only if they are paid in advance. Pre-paid packages are non-refundable.

In addition, owners that choose to board their dog(s) in one of our carpeted hotel rooms understand that they will be charged for any carpet cleaning needed for excessive urination and defecation on the carpet (prices range from \$50 to \$200 per carpet cleaning).
